MUSIC BRINGS US TOGETHER

Traditional music is intrinsically collaborative: from melodies passed down through oral tradition to musicians simply playing side-by-side, togetherness is the beating heart of traditional music.

Over the past year our community has come together to celebrate and support the Freight’s mission as the West Coast home for traditional musicians from around the world. When Music Brings Us Together, it inspires humanity to move forward together, break borders, and create more inclusive and creative spaces for everyone.

As a member of our community, you are an active partner in the music that fills the Littlefield Listening Room more than 350 days a year. The investment from you and thousands of others attending shows and making gifts of support is proof that Music Brings Us Together.

If you give today, you will power another year of connections and memories forged by music at the Freight. If you give $50 (or more!) you will become a Friend of the Freight, our annual membership program that thanks our supporters for their generosity. Here are some of the perks our members enjoy throughout the year:

- Advance access to tickets for select shows before the general public
- Discounts on classes from our education offerings & general admission tickets
- Reserved Seats
- Opportunities to meet artists and get closer to the music you love

We have a goal to raise $400,000 before the end of the year, a challenge inspired by the generous gift of our dear friend and longtime supporter Ed Littlefield. Together, we can meet that challenge.
